L'IMPORTANZA DI AVER CURA DEI PROPRI ANIMALETTI - THE IMPORTANCE OF LOOKING AFTER PETS

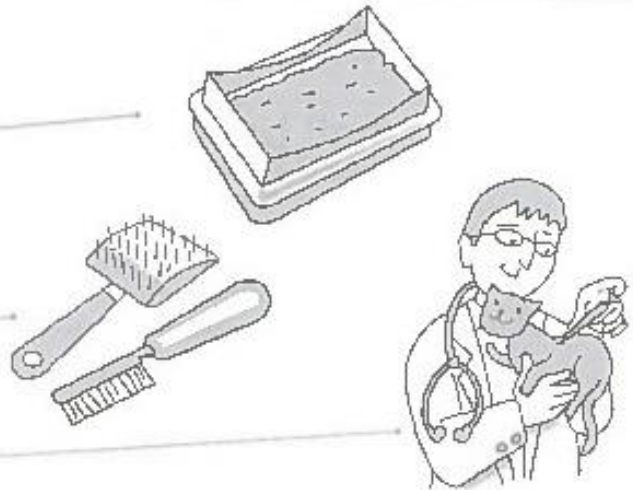

Leggi. Poi disegna sul tuo quaderno cose di cui secondo te un animale ha bisogno.

Looking after a pet is a big responsibility. A pet is not a toy for you. A pet needs care and attention: food, cleaning, exercise.

The things for your cat:

- bed
- litter box
- food
- water
- brush or comb
- toys
- vaccination

The things for your dog:

- vaccination
- bed
- collar, lead and tag
- food
- brush and comb
- bones
- poop scooper and plastic bag
- toys
- cleanliness
- ... and sport!
